New claim 32 presents previous claim 12, which includes intervening claim 8. Claims 33-40 substantively present previous claims 13-20, respectively.

In view of these claim amendments, Applicant respectfully requests a Notice of Allowance for claims 1, 8-20, 23-26, and 28-40. However, if some minor matter has been overlooked or requires further attention, the Examiner should call the undersigned at the telephone number listed below. In the unlikely event that the Examiner refuses entry of these amendments, Applicant hereby requests continued examination. Respectfully submitted,
